*We are not a fast food restaurant. Good food takes time.  
Relax and enjoy the atmosphere. You are now in Parrot Eyes!*

*“No CryBabies!”*

# Parrot Eyes

*A Guillot Family establishment since 1982*

*Parrot Eyes first opened in 1982 as a fruit smoothie and fajita taco stand at the “Jetties,” now known as Isla Blanca Park, on the south end of South Padre Island. Later relocating to the north end of the Island on the bayside in 1988, we offered watersport rentals, outdoor dining, a full service bar and beautiful sunsets. Parrot Eyes made lifelong friends at that location for almost 20 years. In March 2009 we opened at our new home at 5801 Padre Blvd. We are happy to continue with some of the old traditions, and eager to begin new ones.*

*Welcome and enjoy, but please . . . No CryBabies!*
